

Blue Line crew confirms the confiscation of lands in Susiya/Hebron

2024-03-10

خريطة الأمر العسكري، وخريطة الأمر العسكري ذاته من العام 1982

This March, specifically on March 10, in order to review the borders associated with the Hebron Governorate, the Blue Line crew of the occupation civil administration, assigned to review the lands declared as state lands, convened, and as a result it changed the borders of an area declared as state lands since 1982.

The change brought Lands from the advertisement, and he added other land areas to the advertisement, the targeted area in Hebron Governorate, specifically the Yatta/Susya/Wadi al-Suwayd area.

The area that was expropriated was 10 dunums and is colored yellow, while the area that was confiscated and added to the previous order was 19 dunums and is marked in red, while the map indicated that the total area declared in 1982 was 90 dunums.
