

## Day 204: Jerusalem during “Al-Aqsa Flood” Operation

April 27, 2024

On the 204th day of "Al-Aqsa Flood Operation", the occupation forces continued their raids into towns and neighborhoods in Jerusalem.

The Wadi Hilweh-Silwan Information Center explained that the forces stormed the Al-Bustan neighborhood in Silwan after midnight, and deployed in its alleys and surroundings, and a helicopter flew over the neighborhood's homes.

The forces also beat a young man while he was walking in the Al-Bustan neighborhood.

On the streets of Jerusalem, the municipality issued random fines to vehicles.

On the other hand, the alleged Temple groups called for incursions into Al-Aqsa on Sunday, the “penultimate day of the Jewish Passover.”

Over the course of the first three days of Passover, more than 2,800 settlers stormed Al-Aqsa and performed prayers inside its courtyards and at its gates from the outside.
