June 3, 2024

On the 241st day of "Al-Aqsa Flood Operation", dozens of settlers carried out their raids on Al-Aqsa Mosque, and the raids on towns and neighborhoods in the city of Jerusalem continued.

On Monday, 206 extremist Jewish settlers and students stormed Al-Aqsa, during the morning and afternoon incursion periods, and the settlers performed prayers during the storming of the mosque.

The police also announced on Monday the route of the “Flags March” scheduled for next Wednesday in the city of Jerusalem, where it will pass through the Old City all the way to the Al-Buraq Wall. The police said they will deploy 3,000 policemen from various teams in the city.

The alleged Temple groups continued their calls to storm Al-Aqsa on Wednesday, on what is called “Jerusalem Day,” the anniversary of the occupation of the eastern part of the city, and raised Israeli flags during that.

The forces also continued to storm towns and neighborhoods in the city of Jerusalem, and set up police checkpoints.
